OUR MISSION

This conference is designed for precollege students in grades 8-12. The overarching goal of the conference is to provide attendees with a safe environment to learn about and expand upon, different learning techniques that will best prepare them for a successful college career.

WHO WE ARE

The concept of Honors College was established at Hampton University in 1986. However, it was molded under the leadership of Dr. Freddye T. Davy. The Honors College curriculum was developed, seminars were initiated, and rites and rituals for induction and graduation were instituted. An eternal optimist, she had no idea the concept presented in 1986 would blossom as it has into a full-fledged component of the University.
